

Who CACs Serve

2,055 Female

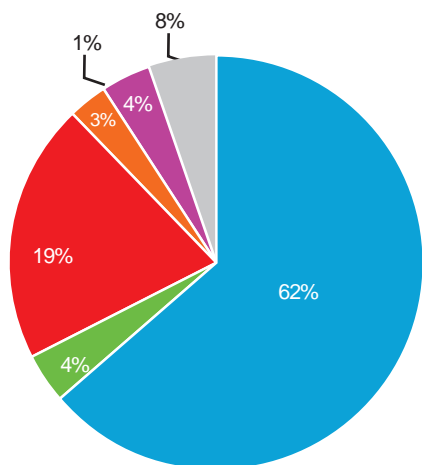

941 Male

- 0-6 years
- 7-12 years
- 13-18 years

Age

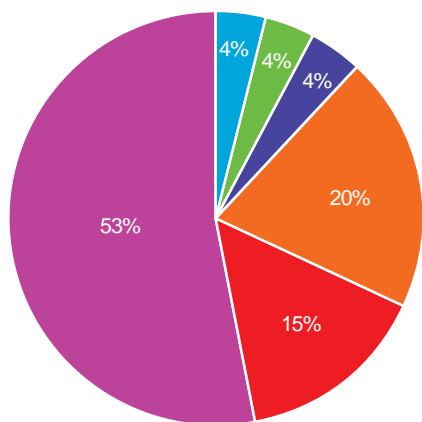

Though child abuse affects individuals of all ages, the majority of children seen at Children's Advocacy Centers in North Dakota are under 12.

- Caucasian
- Native American
- Multi-racial
- African American
- Hispanic
- Other

Race

As North Dakota has grown over the past 10 years so has the ethnic diversity of our victims. Although 64% of our victims are Caucasian, representation of other races have increased nearly 10% since 2007.

- Sexual Abuse
- Physical Abuse
- Other
- Neglect
- Psychological
- Drug Endangered

Survivors of Abuse and Neglect

The majority of cases seen at the CACs in North Dakota involve an allegation of sexual abuse. In fact, more than one in ten of all substantiated victim abuse and neglect referrals to social service agencies nationwide are victims of sexual abuse.

One in every 10 children in North Dakota will be a victim of sexual abuse by their 18th birthday; approximately 65% will be female.
