# KIDS NEED YOUR HELP REPORTING CHILD ABUSE AND NEGLECT

History shows that in times of crisis and economic insecurity, child abuse rates increase. However, North Dakota's child abuse reports have declined dramatically during the COVID-19 pandemic.

## SIGNS TO WATCH FOR

*Two or three signs means you need to report.*

Unexplained injury

Withdrawal from friends or activities

Bad hygiene

Declining school performance

Fearful to go home

Inappropriate sexual behavior or talk

TO REPORT, CALL
